

Hello everyone.

The photos really don't do this park justice. It is a lovely spot just a short drive down the M1. Coomera Springs Park is the name of the park which has plenty of bird life to add to the scenery.

Follow the M1 to exit 49 at Pimpama and turn directly right over the highway, then immediately turn left into Old Coach Rd. and follow until you reach the roundabout. Turn right into Coomera Springs Bvd. Parking for our entrance is just past the bus stop on the left. This is the shortest walk to the tables for BYO morning tea.

Don't forget to pop in a chair, just in case.

We will then drive a very short distance to the Coomera Tavern for lunch where they have Senior lunch specials.
