

R&R MARCH 5TH 2026

How does a day in the country sound? A chance to sit and relax in the small town of Marburg would be the ideal place. Once you have parked your car, everything to do and see is within a very short walking distance.

We will meet for morning tea at the Marburg Community Park directly across the road from the hotel and either bring your own or try one of the places in town for coffee and cake.

The park has a large covered area but you will have to bring your own chairs.

Here are a few options close by

Special Branch Collective, 64 Edmond St. coffee, plants gifts

Soul Nook Collective, (Old church boutique), 89 Queen St. coffee, gifts,

Do you like browsing through antiques and collectables? Then Scotland Yard Antiques, 64 Edmond St. is the place for you.

There is a Spar Express if needed.
