

R&R THURSDDAY 2ND APRIL 2026

Are you feeling just a little tired, a little anxious with what the news has to report, a little in need of a quiet and relaxing day out in God's wonderful creation?

Then our next gathering will be just what you are looking for.

As the 2nd of April is the day before Good Friday, I thought we would travel less, maybe spend less but still enjoy the company of like-minded people and meet for a day of "time-out".

Daisy Hill Conservation Park sounds like the perfect place to be.

Car park No.3 is the closest to the picnic tables suitable for our group to gather. It has steps and a ramp if needed. Also, toilets and a barbeque if you want to cook your lunch.

There is the fish shop, The Happy Fryer, down Daisy Hill road in the IGA shopping centre if you wish to buy something. They take phone orders too.

**WHEN AND WHERE – THURSDAY 2ND APRIL, DAISY HILL CONSERVATION PARK,
DAISY HILL RD - 10AM TO WHENEVER YOU FEEL THE NEED TO LEAVE.**

Looking forward to catching up again with you for a special day out.
