

R&R THURSDAY AUGUST 6TH 2026

First, I would like to say a big thank you to everyone for coming along to our Soup and Sweets day and for helping in so many ways to make it a great success. Such delicious morning tea, soups and sweets. Also, thank you for the setting up and clearing away.

Your response to Margaret Harvey from Rosies was brilliant. We raised \$266. I have listed the items that I have bought and will deliver them this week and next Monday.

Men's and women's deodorants, toothpaste, toothbrushes, tissues, personal wipes, soap, long life milk, fruit poppers, crackers with cheese, muesli bars, baked beans. Bless everyone who donated.

Next month will see us meeting at Redlands Coast Museum in Cleveland. They tell the history of the Redlands area. Always very interesting to learn what the early area looked like and get to know the people who helped shape it. We will be able to have a Devonshire tea, and I believe they will also have a blacksmith demonstration that day too.

There are a couple of options for the morning. Concession entry is \$10 and we will be able to have a Devonshire tea for \$7.50. You can just do the tour if you choose. They also offer a guided tour but that will cost another \$5 and they need to know in advance about that one. So, I thought we would start with the morning tea, do the self-guided tour then move on to Redlands RSL Club for lunch where they have a very reasonably priced menu starting from \$10 for soup.

WHEN – THURSDAY AUGUST 6TH – 10AM.

WHERE – REDLANDS COAST MUSEUM, 60 SMITH STREET, CLEVELAND.

12PM – REDLANDS RSL CLUB, 8 PASSAGE ST, CLEVELAND.

The RSL has an undercover carpark leading straight into the club.

When you reply, please let me know if you want both the morning tea and tour or just the self-guided tour.

Contact me on 0410349969, 38073532, kaygran68@gmail.com

Looking forward to catching up again.

Blessings, Kay
